ONE HONEST QUESTION

CAN BEING GOOD SAVE US?

☐ YES

☐ NO

☐ NOT SURE

**UNFOLD FOR THE
30-SECOND TEST**

BE HONEST

THE 30-SECOND TEST

Against God's standard, can I honestly answer YES?

- ☐ I have always loved God with all my heart.
- ☐ I have always loved others as myself.
- ☐ I have never lied, hated, lusted, cheated or taken what was not mine.
- ☐ I have always done the good I knew to do.

One honest no is enough. You are not alone.
The Bible calls our failure sin.

'All have sinned and fall short of the glory of God.'

Romans 3:23, NIV

THE VERDICT

GOOD DEEDS CANNOT ERASE GUILT.

Sin is more than mistakes. We have rejected God's rightful rule. Good deeds cannot erase our guilt. After death, we face His just judgment.

THE RESCUE

JESUS DID WHAT WE COULD NOT.

Jesus Christ, God's Son, lived without sin. On the cross, He willingly bore the judgment sinners deserve. He rose bodily from the dead. In Him, God offers forgiveness, peace, new life and eternal hope.
